Deutsches Zentrum für Luft- und Raumfahrt

TECHNISCHE UNIVERSITÄT BERLIN

MATSim Multi-Agent Transport Simulation

3rd International Symposium on Multi-Agent Freight Transport Simulation (FreighTSim), 16.09.2025

9:15	**Registration / Welcome coffee**
9:30	**Welcome / Opening (Prof. Dr. Gernot Liedtke, Prof. Dr. Kai Nagel)**
9:45	**Modeling the Last Mile: A Large-Scale Agent-Based Simulation Framework for Parcel Delivery** Lasse Bienzeisler (TU Braunschweig)
10:15	**Spatiotemporal Analysis of Commercial Vehicle Charging in the Munich Metropolitan Region Using Multi-Agent Simulation** Lennard Hensel (Volkswagen)
10:45	**Agent-based modelling and simulation of a 2-echelon logistic network** Kai Martins-Turner (TU Berlin; DLR)
11:15	**Break**
11:45	**Optimizing Combined Transport Network for CEP: A Simulation-Based Approach** Elija Deineko (DLR)
12:15	**Federation of Multi-Modal Road Freight in MATSim and Air Freight in Anylogic For Optimisation of Decarbonisation Pathways** *Alex Foote*, Asrul Ismail, Jingjun Li, Dhanan Utomo,David Flynn, and Philip Greening (Heriot-Watt University, UK; University of Glasgow, UK)
12:45	**Lunch break**
13:45	**An Agent-Based Modelling Approach Urban Parcel Logistics** Ibraheem Adeniran (DLR)
14:15	**An agent-based simulation approach to investigate the shift of Switzerland's inland freight transport from road to rail** Ihab Kaddoura (SBB)
14:45	**Agent-based modelling of the complete commercial traffic** *Ricardo Ewert* and Kai Nagel (TU Berlin)
15:15	**Coffee break**
15:45	**A combined destination and tour creation model** Tilman Matteis (DLR)
16:15	**Methodology for Optimizing Charging Infrastructure Distribution for Long-Haul Freight Traffic based on Multi-Agent Simulation and Evolutionary Bi-Objective Optimization** Diego Fadranski, Tobias Tietz, Dietmar Göhlich (TU Berlin)
16:45	**Web-based data visualiziation: Using Simwrapper for MATSim (freight)** William Charlton, *Kai Martins-Turner and Ricardo Ewert* (TU Berlin, DLR)
17:15	**Closing**
17:30	**End of FreighTSim 2025**
18:00	**Informal Get Together**

Deutsches Zentrum für Luft- und Raumfahrt

TECHNISCHE UNIVERSITÄT BERLIN

MATSim
Multi-Agent Transport Simulation

Conference Venue:

German Aerospace Center (DLR)
Institute of Transport Research | Rudower Chaussee 7 | 12489 Berlin

Cloud for sharing material (e.g. slides):

https://t1p.de/FreighTSim25

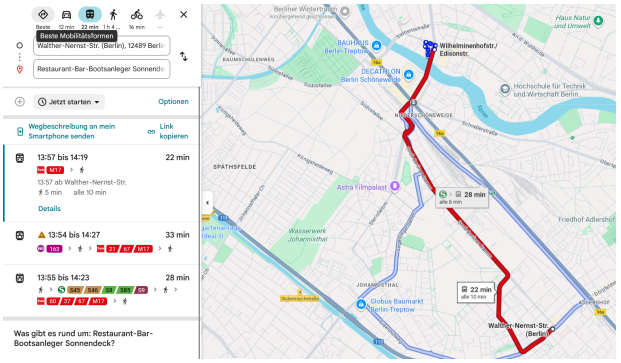
Password: FreighTSim25

Website:

https://vsp.berlin/FreighTSim2025/

Get Together Venue:

Location: Edisonstraße 63, 12459 Berlin-Schöneweide
Time: from 18:30
Web: https://www.sonnendeck.berlin/
Travel Information: take the tram M17
from Walther-Nernst-Str. to Wilhelminenhofstr./Edisonstr.



Please let us know by **15.09** if you **don't plan** to join our informal Get-Together in the evening. Otherwise, we look forward to seeing you there!
